**VIRTUAL**  
**MISP COLLEGE FAIR**  
**Sunday, September 27, 2020**  
**12:00 – 3:00 p.m.**

We invite and encourage parents and students from the senior, and junior classes to attend this year's Minnesota Independent School Partnership College Fair. Also attending will be students from College Possible, Breakthrough Twin Cities and LearningWorks at Blake. We partner with these community based college access organizations every year. This year all partnership students may attend between 12:00-3:00. This event is a valuable opportunity for students to connect with college representatives.

Your school/program will provide an access code for you to register for the fair (required) in advance or on the day of the fair.

**SENIORS** - Whether you have a "short list" of colleges in mind or are still searching for some additional options, the MISP Fair is ***a great opportunity to make a personal connection with colleges that interest you.*** You may ask questions, obtain or request brochures and applications, or have a conversation with the representative to let them know if you have a strong interest in the college.

**JUNIORS** - The MISP fair is an ***ideal opportunity for you to gather general information*** and add your name to mailing lists for colleges that interest you. This is the time to 'shop around' and learn about the general features and differences among various colleges and universities. You can inquire about the best time to visit the campus, major programs, extracurricular opportunities, campus life, and admission requirements.

**ALL STUDENTS** - colleges will offer primarily an Open Session format; some may also schedule short topic-specific sessions. When you click and 'enter' a college's session, you will be able to introduce yourself and ask questions of the admission officer. Your contact information (from the registration process) will be shared with that college when you enter their session. Plan to stay for a few minutes, but please circulate widely to many colleges at the fair rather than spend large amounts of time with just a few colleges.

**IF YOU NEED HELP** - Your college counselor will be in attendance; look for your schools 'exhibitor' room, click and enter to talk with your counselors.

**IMPORTANT INFORMATION** - *The MISP Fair is offered exclusively for parents and students of our schools and from the community based organizations.* Please do not invite students from other schools to attend.
